

Analyst, Business Development

To support its continued growth, InfraCo Asia is actively seeking applicants for an **Analyst, Business Development** role, based in Singapore. As part of the Executive Management Team, the Analyst will be instrumental to InfraCo Asia's mission, which is to catalyse the private sector investments needed to bridge the infrastructure gap in Asia's emerging and frontier markets.

This is a unique opportunity to join a dynamic infrastructure investment and development organisation, with a solid track record of creating bankable and sustainable infrastructure projects that have a high development impact on people, planet and regional economies. The role offers international exposure and excellent development opportunities and is ideal for a highly-driven individual who is comfortable in a fast-paced environment.

About InfraCo Asia

InfraCo Asia Development Pte Ltd (InfraCo Asia) is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG). Headquartered in Singapore, InfraCo Asia catalyses greater private sector investment in infrastructure across South and Southeast Asia by providing funding and development expertise.

InfraCo Asia funds early-stage development activities to realise socially responsible and commercially viable infrastructure that contributes to sustainable and inclusive economic growth. InfraCo Asia is currently funded by four members of PIDG – the governments of the United Kingdom, the Netherlands, Switzerland and Australia.

More information about InfraCo Asia's model and approach can be found at www.infracoasia.com and www.pidg.org. View InfraCo Asia's brand video here: bit.ly/IAD10.

Position Summary

The **Analyst, Business Development** will play a key role in the Business Development team, supporting the origination, screening and due diligence of projects for co-development and co-investment by InfraCo Asia. This includes close involvement in supporting the oversight of project development and investment activities and engaging with partners, co-developers, stakeholders. The Analyst will also play a vital role in supporting InfraCo Asia's Executive Committee (Exco) and bringing investment proposals through the Investment Committee (IC) approval process.

Requirements and Attributes

- Bachelor's degree in Finance, Engineering, Economics, Accounting, Business or equivalent from a reputable university.
- 5 to 7 years of hands-on work experience in project finance and/or investment management in Asia preferably (substantial experience in project finance documentation, equity investment agreements).
- Experience in infrastructure sector, working with international development institutions and/or regional experience in Asia would be advantageous.
- Good understanding of both debt and equity structures, market risk analysis and management relevant to financial transactions.
